

## **December 2022**

Winter has come to Ohio, and we are excited to celebrate the holidays here at Red Bike! Though the winter weather can inhibit riding, we love seeing some of you still riding and enjoying the outdoors as much as possible! With the new year fast approaching, we are excited to share our 2023 expansion plans with everyone. Red Bike needs your help to reach those goals! Considering that it's the season of giving, why not support a local nonprofit like us?!

### **Gift Passes**

'Tis the season to purchase Red Bike gift passes! Kick off your holiday shopping by going online and requesting a gift pass purchase for a loved one! No need to wait in long lines or even leave your couch, just simply go to our [website](#), and click on the 'About Us' tab and find the 'Gift Passes' link. You may purchase a two-hour pass or an annual pass online.

### **Cincinnati Gives and Donations**

This holiday season, give back and help the Cincinnati and Northern Kentucky community by donating to Red Bike! While many of us have a flexible budget to spend our money on our wants, some people must focus on their needs. Supporting Red Bike enables us to provide our services to all our users, but also helps make sure our low-income program, Red Bike Go, gets economically disadvantaged folks on bikes!

There are multiple ways to give this year!

First, Red Bike is participating in the Cincinnati Gives Challenge to help fundraise to support operational efforts and plans. The challenge runs until December 8<sup>th</sup> and is a friendly fundraising competition where local charities can win prizes and funds if they raise the most money. Please look at our profile and consider donating [here](#).

If we haven't made your to-do list by the 8<sup>th</sup>, you can always go to our website and make a tax-exempt donation there.

All donations are being used towards supporting our upcoming station expansion to new neighborhoods and a plan toward an all-electric fleet by 2025! Your contribution will also help fund bike replacement parts, assisting low-income individuals in riding bikes through Red Bike Go, and keeping our office open so we can continue to grow together!

As a small non-profit, Red Bike runs on donations and sponsorships to keep our wheels rolling. Donate to Red Bike because the opportunities we provide for people cannot wait.
